Dear Dan,

On behalf of MAPS Air Museum, I would like to thank you for responding so quickly to our need to replace the awning on our restoration building. We just had our first hard rain and it was really great not to see the rain water running down the side of the bricks. Thank You!

Also, we would like to thank you for your donation of \$2,000. What a great surprise. We are classified as a 501(c)3 organization so your gift is classified as a tax deductible donation.

I want to thank you for paying so much attention to us. I know you must be very busy and I was surprised to see you so much during the tear-off/installation.

You have a great crew and they did a wonderful job.

Finally, I want to personally thank you for your generosity and great work.

Sincerely,

A handwritten signature in blue ink that reads "Kim".
